

Want to make a difference?

GIVE A SCRAP

FOOD SCRAP PICKUP SERVICE

What's the Big Deal?

Food scraps disposed of in landfills contributes to a warming climate. By subscribing to the **Give A Scrap** food scrap pickup service, you will reduce your carbon footprint by returning what came from the earth back to the earth.

How Does It Work?

For a small monthly fee, we will provide you with containers to hold your food scraps and convenient weekly service from your front door. We record the weight of the food scraps collected and let you know each month how, together, we're making a difference. Food scraps are taken to **5Heart Earthworm Farm** in Birch Run, where they will be fed to hungry red worms and turned into nutrient-rich worm castings, which improve soil health!

Our convenient collection bucket & kitchen pail makes it easy for you to sustainably dispose of your vegetative food scraps.

How Do I Subscribe?

Residents can subscribe by visiting www.iriswds.com and filling out the form or by calling **855-2GO-ZERO** (855-246-9376).

OUR RATES:

Standard Service: Weekly Pickup

\$20/month

Includes collecting, weighing, and transporting your food scraps on a weekly basis. Bucket cleaning is your responsibility.

Premium Service: Weekly Pickup PLUS Bucket Swap Out

\$28/month

Leave the cleaning to us! We'll swap your soiled storage bucket for a clean one so you can start with a clean bucket each week.

Scan the QR code to visit our website!

Our service is currently available in the Bay City and Saginaw areas. Contact us to be notified when we begin service in your neighborhood.

As a subscriber to *Give A Scrap*, you'll get...

Supplies

Subscribers will be contacted and provided with program info, their weekly pickup day, a 1-gallon kitchen pail and a storage bucket (with lid) to hold food scraps between collection days.
That's all you need!

Weekly Service

The week after delivery of your containers, place your storage bucket of food scraps on your porch or doorstep on your scheduled day. Collection staff will pick up and weigh your bucket each week.

Our electric van

Informed

You will receive a monthly e-newsletter with information on the impacts you are making. Sign up for our text alerts to receive a certificate with your personalized totals!

...and that's not all!

We Look Forward to Serving You!
